S

is for SAVE!

**Can you find other things that
begin with the letter S?**

**The best way to save money for
when I am an adult is to put it
in a piggy bank.**

Family Activity

Talk to your child about saving money. For example, if you deposit money into your credit union account, you will earn more money from dividends.

Count the change!

Add up the nickels and pennies
in the picture below.

Family Activity

Parents, do you have any spare change? Try having your child count spare quarters, dimes, nickels, and pennies separately and add them together to make a whole dollar.

HEADS & TAILS

**A coin has two sides: a head and a tail.
Match the head of the coin at the top
to its tail at the bottom.**

Find these words!

DIME | DOLLAR | MONEY | NEEDS | NICKEL
PENNY | QUARTER | SAVE | SHARE | SPEND | WANTS

DO I NEED THIS?

Do you need it to **live** or is it just for **fun**? Draw a line from the picture to the shopping cart to say if it is something that you want or something that you need.

Family Activity

Parents, take your child with you to the grocery store. When you pick an item, tell them why you chose it. For example, we *need* broccoli to help us stay healthy and strong.
